

Wine Country Cabins

A lakeside Bed & Breakfast

All the comforts of a Bed & Breakfast and the solitude of your own private cabin in the woods.

Nestled amidst the trees on Seneca Lake are couple-sized log cabins that allow you to awake to the natural sounds of the waves and wildlife. This is the home of Wine Country Cabins, where each morning a three course gourmet breakfast greets you and award winning sunsets bid the day farewell.

We invite you to take in the lake view on an Adirondack chair or relax on our beachfront swing as you enjoy the calming views of Seneca Lake. You are welcome to bring your own kayak and launch from our beach or you may prefer to spend the day on the Seneca Lake Wine Trail, antiquing, golfing, hiking in the Finger Lakes National Forest or nearby state parks. All are only a few minutes away.

Whatever your pleasure, we hope to make you feel comfortable and at home as you enjoy the beautiful lakefront, and the romantic sunsets.
